Adhoc 1 (tax exempt) committee: 501(c) (3) Not-for-Profit Ad Hoc Committee Final Report

Background at the Area Service Committee (ASC) meeting held on February 13, 2011 John B. addressed the floor regarding the matter of our area becoming a 501(c) (3) Not-for-Profit corporation

independently, or going under the umbrella of the region. The Chair appointed an Ad Hoc committee to research the two options and come up with questions for the region to provide clarity.i

The Ad Hoc committee met for the first time on March 12, 2011, with nine (9) members of Narcotics Anonymous in attendance. As a group, a consensus was reached that the Area would benefit from incorporating and becoming a not-for-profit corporation. Several questions were formulated; committee chair John B. took the task of making contacted with region.ii

Further, at the ASC meeting of March 13 the 501 Ad Hoc committee was requested to determine which approach (independent vs. region umbrella) would be more cost effective to the Daytona Area of Narcotics Anonymous.iii

Questions and Answers submitted to and responded by region

Q1. Does the RSC have tax exempt status? Is the RSC going to be under the RSO Group Determination?

A1. The tax-exempt status of the RSC is under investigation. In the event that the RSC is not tax-exempt, it will become subordinate of the RSO.

Q2. Why do we need to incorporate if we want to be under the umbrella of the RSO?

A2. The IRS requires the subordinate organizations, i.e. the Area, to have its own EIN and its own governing documentation (articles of incorporation, articles of organization, charter, etc.). According to the IRS, separate legal entities are responsible for only their own organization. Hence, incorporated Areas alleviate the Region from being liable for the activities of an Area.

Q3. If Areas do not incorporate, can they still get tax exempt status? If so, how?

A3. Areas do not need to incorporate to get tax exemption; they can file one of the other organizing documents accepted by the IRS, outlined in IRS publication 557, page 4 "Organizing Documents." However, the Area will have to file separately for tax exemption. To protect the RSO, an area that is not incorporated cannot participate in the Regions group exemption.

Q4. When incorporated and under the umbrella of the RSO, do areas have to file to the IRS, or do we file to the RSO and then they file to the IRS?

A4. The Area files annually with the IRS and sends a copy of the appropriate Form 990 to the RSO.

Q5. Do areas have to have a physical address? Can we use the RSO address and then use a P.O. Box as a mailing address?

A5. Yes, the Area needs a physical address for the federal ID # (Form SS-4). The Area needs to ask the RSO if the RSO address can be used. No response to date regarding using the RSO address.

Q6. What financials are required to be kept and filed?

A6. Review the appropriate IRS Form 990 or have a CPA review the form for your Area.

Q7. Following the tax-exempt application procedure outlined by region, we would be tax-exempt at the Federal level; what about the state and state sales tax exemption?

A7. There is a Consumer Certificate of Exemption that an Area can receive from the State. The IRS tax exemption is a pre-requisite for obtaining the State tax exemption.

Financial Analysis and Impacts of Approach

Step	Independent Area Action	Action Under Region Umbrella
1.	Determine a Board of Directors	Determine a Board of Directors
Impact	Required under both approaches. The State of Florida requires a minimum of 3 members on the Board of Directors. The Board of Directors holds responsibility for compliance with federal and state laws. Approval of the number of Board members and the make-up of board members would rest with Group vote within the Area.	
2.	Complete the Articles of Incorporation (Region has provided a sample document) and submit by U.S. mail to the State of Florida; Request a certified copy and a Certificate of Status. Total Cost: 87.50.	Complete the Articles of Incorporation (Region has provided a sample document) and submit by U.S. mail to the State of Florida; Request a certified copy and a Certificate of Status. Total Cost: 87.50.

	Research to date indicates that on an annual basis the Articles of Incorporation must be resent to the State. It has not been determined if a fee is also required.	Research to date indicates that on an annual basis the Articles of Incorporation must be resent to the State. It has not been determined if a fee is also required.
Impact	Required under both approaches. Regardless of approach the cost remains the same (for both the initial 87.50 filing fee, and the annual 61.25 fee related to the resending of the articles). Prior to submission to the State, approval of the Articles would rest with Group vote within the Area.	
3.	Complete the Corporation By-Laws (Region has provided a sample document). As with the Articles of Incorporation, the By-Laws must also be sent to the State on an annual basis.	Complete the Corporation By-Laws (Region has provided a sample document). As with the Articles of Incorporation, the By-Laws must also be sent to the State on an annual basis.
Impact	Required under both approaches. Approval of By-Laws would rest with Group vote within the Area.	
4.	Once the certified copy of the Articles of Incorporation is returned to the Area from the State, the following can occur: A) A Federal ID # (Form SS-4); B) Open banking Accounts under the corporate name.	Once the certified copy of the Articles of Incorporation is returned to the Area from the State, the following can occur: A) A Federal ID # (Form SS-4); B) Open banking Accounts under the corporate name.
Impact	Currently the Daytona Area of NA has EIN # and bank accounts under that EIN. It may or may not be necessary to get a new one. Further investigation in this was not the purpose of the Ad Hoc committee. Note that the suggestion from the Region Tax Exempt workgroup is that once an Area is incorporated, all "Old" ID and accounts should be closed and new accounts opened under a new corporate ID # and Name.	
5.	Not applicable if taking independent action.	If the Area wishes to be included in the Group Exemption under the Florida Regional Service Office (FRSO) the following must be submitted to Region: A) The request to be part of the Region must be done by the Sept. 2011 RSC meeting, or by the July RSC meeting every year thereafter; B) A copy of the certified Articles of Incorporation and By-Laws must accompany the request; C) The Fiscal Year end of our Area must match that of Region – May 31.
Impact	The first deadline of September 2011 may be unattainable – in addition to the action required by the Area, we are constrained by the State response. We can move forward under the Region Option and target July of 2012 to complete all necessary work. There is no direct financial cost. The Area would be required to adjust the fiscal year-end to May 31.	
6.	If the Area wishes to act independently, Group Exemption, and the subsequent Group Determination Letter is obtained through filing IRS Form 1023. In 2010	Not applicable if taking action under the Region Umbrella.

	the filing fee for federal tax exempt status is either 400.00 or 850.00. The fee amount is based on average Gross receipts for the last 4 years. If gross receipts are greater than 10,000.00, the fee will be 850.00; if less than 10,000.00 the fee will be 400.00.	
Impact	The Literature Ad Hoc committee has performed a financial inventory covering the last two years of gross receipts from all sources. These results indicate an amount greater than 10,000.00, therefore it is anticipated that the 4 year average will result in a filing fee of 850.00. The 1023 IRS Form is roughly 25 pages long and initial review of the 1023 instruction form indicates most of it does not apply to our Area. The 850.00 filing fee is viewed by this Ad-Hoc committee as a transparent cost to the Area, based on our fund flow policy related to Area to Region contribution.	
7.	Annually, the Area must file a tax return to the IRS using form 990(or 990EZ or 990-N). The form must be filed by the 15th day of the 5th month after fiscal year end.	Annually, the Area must file a tax return to the IRS using form 990(or 990EZ or 990-N) by the 15th day of October – due to the Region solution requires the fiscal year end to be May 31. In order to continue as a part of the Region Group Exemption, a copy of the filed Tax Return must be provided to Region each year.
Impact	IRS filing is required regardless of which course of action taken.	

Next Steps

This Ad-Hoc Committee believes the Area will benefit by becoming a 501(c) (3) Not-for-Profit corporation. Further, the committee also believes there is no direct benefit of Action under the umbrella of Region. With the exception of filing IRS Form 1023, the work effort will be the same. The 850.00 cost of obtaining a Letter of Determination is transparent to the Area based on fund flow donations from Area to Region.

The Ad-Hoc Committee Recommends the following:

1. A motion be presented to groups to proceed forward with becoming a 501(c)(3) Not-for-Profit corporation independently;
2. If passed, a work group should be formed to begin the process outlined in the steps presented in the Financial and Impact section – for efficiency purposes it is recommended that the work group be given the privilege of submitting motions to the Area (Change to Policy 04-02-6 required).

Areas of Further Investigationiv

1. Obtain Liability Insurance for Area & Groups

Liability insurance will afford protection to our trusted servants taking on positions as Officers and Board members. This protection can also be applied to the groups within Area. Additionally, with liability insurance, more facilities in the Daytona Area come available for our use.v

This Ad-hoc attempted to obtain two quotes for liability insurance

A. All City Insurance could not provide a quote as the only definitive information we could provide is the total number of groups in the Area; Number of Board members and Officers is unknown at this point.

B. Bolt Insurance agency provided a quote of 500.00 per year for 1,000,000.00 of coverage. Note, the agent believed this quote will turn out high once all the necessary details of the 501 can be provided.

2. Addressing the Need of a Physical Address for the Not-for-Profit Corporation

While it is acceptable to conduct all business through the use of a P.O. Box, the Articles of Incorporation require a Principal Office with a physical street address.vi Several possible solutions

exist, and the following list is by no means exhaustive, and neither cost estimates nor viability assessments were not done:

- A. Establish an actual “Store Front” (similar to the AA Intergroup Office on Beville Rd). This solution could also eliminate the need for a literature storage facility.
- B. A Registered Agent is required^{vii}, and if this agent is a trusted servant within N.A., their physical address may be utilized.
- C. Retain an Attorney to act as both the Registered Agent and utilize the Attorney address as the Corporate Address.

3. Addressing Taxation Compliance

While the financial reporting requirements in IRS Form 1023 (initial application process) and IRS Form 990 (Annual IRS filing) are unfamiliar to most members, there is a rich pool of recovering addicts in our fellowship in need of a service commitment that could take on the task of generating these filing forms.

To protect us from ourselves it may be wise to investigate the use of a CPA or Tax Accountant.

Activities Report: Activities met on May 1, 2011 at Family Church off Beville, and then relocated to Dunkin Donuts in South Daytona. 3 addicts in Attendance; Kristen-Chair, Amy-secretary, CT-trusted servant. Old Business: Treasurer Report-treasurer absent. New Business: Final discussions about Memorial Day Picnic. Scheduled for May 22, 2011 from 10am-3pm. Pavilion already rented at Bi-centennial Park in Ormond by the Sea. Approx 150 attended last year, expecting approx 100. Planned speaker-John C. from Fort Lauderdale-30 yrs clean in NA. Also discussed moving to a secure location. Will discuss with Pastor Pete in regards to his Office Building off Nova Rd.

Activities met on June 5, 2011 at 1725 S. Nova Road, South Daytona 32119 Suite N-1. This are the office building for A Family Church. We had 9 total addicts in attendance! Kristen-Chair, Tina-treasurer, Amy-secretary, CT, Sam, Joey, Stephanie, Bob, Leah. Old Business: Treasurer’s Report: Starting balance-\$727.06, Expenses Memorial Day \$309.46, income from picnic-\$256.20, Deposit to account-\$284.74, Balance-\$643.80. We remain under the \$800 prudent reserve again due to bank fees and LOW TURN OUT for picnic.

PLEASE NOTE: We had approx 60 addicts for the picnic/softball game. The speaker cancelled the week before, so another trusted servant spoke with 21 years clean. This is the lowest attendance in years for this type of activity. I am asking the GSR’s do their job and bring back this information to their home groups, as well as make the announcements for activities. Over half the people said they didn’t even know about this picnic. GSR’s responsibilities are to bring info from the home group to Area and bring info FROM area to the groups. We successfully delivered a message of recovery to those that did attend and we thank those that were there. Although, last year we had over twice as many addicts attend. New Business: 58th Anniversary Dinner and speaker. Possible dates; July 16 or July 22. More will be revealed in flyer to be passed out in July at area. Basic spaghetti dinner as usual, John C. from Fort Lauderdale tentative speaker-30 yrs, Checking possible locations with kitchen and fellowship hall. Possible NA’s got talent, gong show, with 3 judges. Sam has been voted in as Vice-Treasurer of Activities

H&I Report: No Written report

DACNA Report: DACNA 12 was a huge success!!! Thanks to all who attended and served in any capacity. Approximately 775 people registered for the convention; however it appeared as though there were about 1000 people in attendance at Saturday’s Main Speaker meeting.

Final Treasurer Report will be completed and monies will be turned in to ASC on or before July 1, 2011 (as per policy). DACNA made roughly a little over \$14,000 and has some expenses pending before turning over money.

DACNA will be renting separate storage unit from ASC and will need the cooperation from Activities and Literature Coordinator when obtaining items from current unit so as to ensure all items are accounted for.

BREAK TIME 11:40AM/RESUMED AT 11:55AM ROLL CALL 29/33-QUORUM 19

Old Business:

Motions that were tabled to adhoc

M/S/T: (11/01/04) (Bakers Dozen/Afternoon recovery) That the literature coordinator create a budget to maintain a minimum literature level. Intent: to maintain a level necessary to keep groups supplied with literature. **WITHDRAWN see adhoc opinion below**

Adhoc Opinion to motion (11/01/04) The literature chair will be giving a detailed report on how much inventory is in stock, the value of that inventory, and will suggest how much more inventory is needed

to maintain sufficient par levels to better serve the groups. From there it will be up to the ASC on whether to purchase the suggested amount when and if DACNA returns a profit in June. As we stated above, last year we used over \$18k in literature, over \$15k was for the groups, and \$3.5k was never replenished. Our projected budget would be at least \$15k for the year if we only serve the groups. We think that this information and the literature chair report today exceed the request of this motion. If the maker is satisfied we would ask him to withdraw the motion.

M/S/T: (11/02/03) (New Attitudes/Literature) to change on a trial basis, the process in which the Daytona Area orders pay for and distribute literature. Temporary suspension of current literature policy may be necessary. The trial will be at least 6 months in duration or longer if necessary. The start date to be determined on ASC floor when the current literature situation is resolved (back orders filled, bills paid, etc) and the group[s] have ample notice to plan for this new process. The new process is as much, the groups will bring their literature orders to ASC as they do now and pay for the order and pick up their orders at the next ASC. **Intent:** To be prudent with NA funds and hopefully eliminate the financial burden on the Area Treasurer by already having the money in place to pay for what is ordered up front at time of purchase. (Concept 11), To eliminate any unnecessary inventory and the uncertainty of what and how much literature to purchase (Concept 11) To help streamline the literature ordering process and help ease the heavy responsibilities of the literature trusted servants.

Policy which may be affected: Literature (pg 20) Maintains distributes orders and fills all literature orders at ASC. 04-07-06 Literature and alternate literature to separate position from treasurer. Duties include 1) ordering literature 2) Inventory 3) check order 4) attend area 5) submit invoice 6) fill orders 7) special orders when requested in advance 8) transport literature to and from area 1yr clean.

The Groups should keep a copy of their order to make sure their order is correct at pick-up and to use when ordering for the next month. **TABLE TO GROUPS see adhoc opinion below**

Adhoc Opinion on motion (11/02/03) we see no real financial prudence to this motion. The literature will cost the same to the groups whether we stock it to have readily available or each group figure out what it needs two months in advance. If par levels are achieved and, a policy dictate, we replenish dollar for dollar what we distribute, including every piece taken from a subcommittee or new group, we may only have to increase the par levels minimally as this area grows. We don't think it streamlines the process for the groups or the literature chair. We also believe that there are many items that the groups don't know exist, wouldn't purchase without seeing it first, and would like our trusted literature chair to have the ability to order just a couple of such new things as they come out. Many addicts won't ever know what's available if they don't see it here in our area. We also don't believe literature has ever contributed to any of our current financial situation, but seems to be the one area affected by it. It is up to the maker to move forward with this motion or not.
