Activities Report for November 2011

Activities met on November 6, 2011 at 6pm at Family Church in South Daytona, with a total of 10 addicts in attendance, 7 total voting members. Old Business: Yvonne was nominated for Vice-Chair last area. She has numerous qualifications that were not listed in the minutes. Groups were mislead to vote on a candidate that stated she only had the "willingness". I request for her qualifications be stated aloud at area and possibly have a re-vote (waive policy) and the GSR's do a group conscious regarding this

mistake. If not, she will be nominated again and her qualifications be properly posted for the groups to view and vote, fairly. Treasurer Report: No changes. New Business: Holiday Event planned for Friday December 9, 2011 at 7:30-11pm held in the gym of Christian Missionary Alliance Church (where New School/Afternoon Recovery meets). Flyers are being passed out at area, please take to home groups and announce. It will be called "Holiday Masquerade Ball". We will have a best dressed and best mask contest! DJ/Food/2 speakers/dance!

ILS, Bob

**H&I Report:** In attendance were seven voting members and 3 visitors. Two facilities not present or submitted report of prior month to the chair. Orientation for Reality House took place with good turn out with 7 members showing up. Rent check for three months was turned in but H&I chair was notified that we owe back rent. H&I Chair to go to area to secure check for prior 5 months which are owed to the church..

Tomoka State Prison Facility was brought up to us by the Chaplin at the Reality House during orientation. Item was brought to the floor for discussion. H&I to get with Troy at the Tomoka State Prison to coordinate and find out the requirements All parties that are to go into the prison would have to be pre-approved before being allowed to get into the facility. Chair brought up that H&I will not commit to bringing a meeting to the prison without a full panel and speakers on standby.

Issue at San Juan addressed with a new panel coordinator being voted in during this meeting. Facility has had issues this past month with meetings being brought out there.

ART Issue- ART wants meetings every night of the week except on Wednesday.

Sarah S. has the willingness to go ahead and start the Tuesday meeting at this facility. She has a full panel and a panel coordinator for this facility. Vote was taken on the floor and she was voted in.

Meetings are going to start out at this facility starting on the 25th of October 2011.

Another addict has willingness to fill a panel coordinator position at this facility. He will try to get a full panel before next month before going before the committee for a vote.

Literature Position is open along with some panel coordinators and panel leaders

All else is well

## **DACNA Report - November 13, 2011**

### **\*\*\*Administrative Positions Vacant: Assistant treasurer**

- The need for an Asst Treasurer is *EXTREMELY IMPORTANT* as Mark M, current DACNA treasurer, has expressed that should the Daytona Area not pursue/become a non-for profit organization by February 1, 2012 he will no longer be willing to serve at this position.

- According to previous statistics, it appears as though we are \$1800 behind past fundraising earnings up to this date. All efforts are being made to ensure that the funding for the convention will be reached by the convention date.

- DACNA 13 met 11/6/2011. Treasurer report will be attached to minutes
- October 22, 2011 Second Annual Recovery Ride was a success – total profit to date was \$5.78 (however there are 30 t-shirts left which will be sold at \$10 for a potential additional \$300)
- Second Annual Campout was this weekend November 11-13 – report will be included in next month's minutes.
- DACNA Pre-Registration is \$15 until December 31<sup>st</sup> and will include a preconvention t-shirt (for the first 72 registrants).
- Accepting submissions for convention theme and logo until December 3<sup>rd</sup> (see Deanna H). Accepting speaker CD submissions for both local and out of town speakers until December 31<sup>st</sup> (see Lindsey T)

**Literature Report:** No written report submitted

**Policy Report:** The meeting went good. We reviewed the budget and the motion 11/10/06 and the activities guide lines seem to be ok but the motion needs to read accept activities guide line. Please remember when tabling a motion to the policy committee for review to give the yellow copy to policy or the trusted servant you are tabling it to and the white to the ASC secretary to keep with her records as to help us keep our records in order, thank you. We will beneeding some assistance from the groups in making motions to create new policy packages. If any of the subcommittees has a copy of your guide

lines on a CD disk or are willing to send them to the web page to update them it would be greatly appreciated this will save on printing cost to have them readily available to anyone who would care to have a copy, in fact we were thinking of just posting the policy package online to save on the cost of printing. That is after it has been accepted by groups.

Thankyou,  
Robert B.
